Presentazione Rapporto 2018/2019

L'anno 2019 è stato un anno speciale per le Pontificie Opere Missionarie, che hanno promosso nelle diverse Chiese locali e a livello universale la celebrazione del mese missionario straordinario di ottobre. Il resoconto della attività della Pontificia Opera della Propagazione della Fede deve registrare in primo luogo la bella riuscita di quella celebrazione. Infatti l'ottobre missionario ha avuto una vasta eco tra i fedeli ed ha permesso a tutti di rinnovare il proprio impegno missionario, secondo il tema scelto da Papa Francesco: "Battezzati e inviati. La Chiesa di Cristo in missione nel mondo". Il grande sforzo della POPF per sostenere le Chiese dei territori di missione sarebbe impensabile senza la partecipazione dell'intero Popolo di Dio.

I frutti dell'ottobre missionario non sono completamente visibili, perché in moltissimi casi si tratta di frutti spirituali: la preghiera, l'offerta delle proprie sofferenze, il desiderio di comunicare il Vangelo. Tutto questo tesoro incalcolabile lo presentiamo come parte essenziale del resoconto di quanto realizzato nell'anno 2019. A questo si aggiunge il sostegno finanziario alle circoscrizioni ecclesiastiche soggette alla competenza della Congregazione per l'Evangelizzazione dei Popoli. Come noto, a questo sostegno contribuiscono le Chiese di tutto il mondo: "Tutte le Chiese per tutto il mondo", come scriveva il beato Padre Manna, fondatore della Pontificia Unione Missionaria.

Le POM sono espressione di questo coinvolgimento universale. Scrive Papa Francesco nel suo Messaggio alle POM del 21.5.2020: "Diventate col tempo rete diffusa in tutti i Continenti, le POM riflettono per la loro stessa configurazione la varietà di accenti, condizioni, problemi e doni che connotano la vita della Chiesa nei diversi luoghi del mondo (...) In questo senso, anche attraverso le Pontificie Opere Missionarie si può sperimentare il mistero dell'universalità della Chiesa, in cui l'opera incessante dello Spirito crea l'armonia tra le voci diverse...".

Dunque possiamo dire che per loro natura le POM vivono dell'abbraccio universale che non vuole escludere nessuno dalla salvezza che Dio ci offre in Cristo. E' una chiamata che non può venire meno neppure nei tempi difficili che stiamo vivendo.

Il Rapporto che presentiamo non è perciò un freddo elenco di cifre e di progetti, ma è una dimostrazione evidente che la partecipazione del popolo di Dio, attraverso le Pontificie Opere Missionarie, garantisce che la apertura universale nella Chiesa è sempre viva e operante, al fine di rispondere alle attese e ai desideri di quelle comunità ancora bisognose di aiuto e di sostegno per la loro crescita.
