Presentazione del Rapporto 2020/21

Pur essendo nell'anno 2022, che è l'anno dei grandi giubilei di *Propaganda Fide* e delle Pontificie Opere Missionarie, è con grande piacere che presento il Rapporto relativo agli anni 2020/21. Esso testimonia ancora una volta il grande impegno delle Pontificie Opere Missionarie nel sostegno finanziario alle Chiese locali dei territori affidati sotto la giurisdizione della allora Congregazione per l'Evangelizzazione dei Popoli.

E' su questo concetto delle Chiese locali che vorrei soffermarmi. Il decreto conciliare sulla missione *Ad gentes* indica infatti che per missione si intende l'annuncio del Vangelo e lo stabilirsi di nuove Chiese locali. Credo che nel corso dei secoli le POM abbiano sostenuto esattamente questo enorme sforzo della Chiesa intera di annunciare il Vangelo e di creare nuove Chiese locali. In particolare vorrei soffermarmi su questo punto: finanziare il lavoro ordinario delle diocesi, finanziare la formazione nei seminari, finanziare la formazione dei catechisti, finanziare comunità religiose, finanziare scuole, finanziare la formazione di giovani sacerdoti e religiose a Roma che poi torneranno a servire le rispettive diocesi di provenienza è un contributo incalcolabile per rafforzare la Chiesa *in loco* e per incarnarla sempre più nella realtà locale. Tutti i progetti che vengono presentati hanno questa finalità ultima che regge il lavoro delle Pontificie Opere Missionarie da 200 anni. Ma poiché la nostra non è solamente una istituzione finanziaria, ma soprattutto pastorale, vorrei sottolineare che il nostro sostegno alla Chiesa locale si sostanzia principalmente nell'animazione missionaria: aiutare i fedeli a vivere la loro fede in chiave missionaria e universale li rafforza nel loro atteggiamento di fede e dunque contribuisce in maniera sostanziale alla cura pastorale che le Diocesi in ogni dove, a nord e a sud, sono chiamate a fornire. Questo radicamento nella Chiesa locale è una chiamata che vogliamo perseguire sempre più, in quel sano dare e ricevere reciproco che caratterizza il rapporto tra Chiesa universale e Chiesa locale.

Con piacere ringrazio tutti coloro che contribuiscono a questo lavoro, iniziando dai singoli fedeli che offrono preghiere e denaro a favore delle missioni, ai direttori diocesani delle POM, ai direttori nazionali delle POM, ai segretari generali delle singole Opere e all'incaricato dell'amministrazione insieme al personale che lavora negli uffici di Roma. Tutti insieme cooperano al bene della Chiesa e al fine di una Chiesa sempre più missionaria, cioè sempre più proiettata a far conoscere a tutti gli uomini che Gesù è il Figlio di Dio venuto nel mondo per salvarci. La Chiesa esiste peraltro perché è missionaria, e le POM solo in questa prospettiva si possono intendere. Dopo 200 anni, è una strada che si proietta verso il futuro.

+ Giampietro Dal Toso

Presidente

SIGNIS Rév. Père Jean Francois Regis SOME: Organization "L'EUCCHARISTIE EN FAMILLE". L'Eucharistie en Famille renforce les outils pastoraux déjà existants pour porter encore plus loin la Bonne Nouvelle. Rattachée à la commission de la communication en tant que livret assurant la constante formation spirituelle des fidèles, il participe pleinement à la pastorale diocésaine. Mais des difficultés de portefeuille rendent de plus en plus difficile la parution du missel mensuel vu aussi que la demande dépasse l'offre. C'est dans cette vision que le présent projet est envisagé, en vue de renforcer les capacités de notre service et lui permettre une nouvelle relance.	€	3.400

SIGNIS Monsieur l'Abbé Paul OUEDRAOGO: RADIO AVE MARIA. La crise de la covid-19 avec plus de 2 mois de confinement a fait de la Radio Ave Maria un sanctuaire par excellence. Les célébrations liturgiques publiques étant empêchées, c'est par la radio que la communauté chrétienne vivait ses sacrements. La Radio a fonctionné 24h/24 avec un seul studio et avec les mêmes équipements techniques sans possibilité d'alterner ses machines. La Radio a besoin d'acquérir des équipements en doubles pour sécuriser davantage ses capacités de diffusion et augmenter la durée de vie des appareils.	€	3.000

SIGNIS Rev. Sister Adelaide Ndilu: RADIO WAUMINI 88.3FM. There has been a significant increases of radio Station the Capital City of Nairobi & mostly in our transmission site Limuru. A lot of interference on our frequency has happened due to low transmission power from the current 2000W transmitter transmitting at 1400W currently due to ageing & repairs and other stronger waves from transmitters on site. Lack of better & enough microphones, headphones, Audio distribution amplifier and digital sound processor has affected the quality of sound from the broadcast studio to site due to mics, & movement from one studio on air/news/guest studios for use & compact ability of equipment.

CONF.EPISC.KENYA

SIGNIS Rev. Sister Adelaide Ndilu: KCCB - Commission for Social Communications. KCCB - Social Communications established the Kenya Catholic Media Network in 2018 which coordinates communication from the Conference to the parishes ensuring mutual communication of events and projects. This enhances the sharing of pastoral letters, statements, and encyclicals and amplifies the voice of the Church. During the COVID-19 pandemic, the Commission is working with the Catholic Health Commission to create awareness on prevention. From the last SIGNIS funding, the Commission trained Parish Communication Agents (PCAs) in seven dioceses. The bishops appreciate the project and desire that more PAs are trained in the dioceses that have not held the training.

The pre assembly period will focus on assembling a communication team, help them understand the theme and nature of the assembly, building their communication capacity and sourcing of the equipment's. During the assembly, the team shall cover and disseminate the proceeding. Post assembly, the team shall produce the final report in different formats.

SIGNIS Mister Mastone Peter: Zomba Diocese Communication. The coming of the novel Coronavirus has painfully forced Bishops to suspend Church gatherings and communal liturgical celebrations worldwide. This calls for an urgent need for priests to opt for use of online, digital, virtual and radio as modern tools for evangelisation, especially in this time of COVID-19 pandemic and other future unforeseen disasters that restrict physical gatherings. It is against this compelling background that the Diocese of Zomba is requesting funding to conduct a training for priests to equip them with relevant ICT skills and how they can apply them when discharging their pastoral duties.

Desde 2017 que a província sofre de guerra perpetrado por terroristas e os mais vulneráveis são os jovens usados quer pelos terroristas quer pelos militares governamentais. O medo e terror crescem no seio da juventude: falta de cidadania e senso crítico, emprego, investimento gerou miséria e crise humanitária.	\$	7.000

SIGNIS Reverend Father JOHN OKPOTU: Amecea Africa. Directorate of Communications diocese Otukpo. The main task of the office for now is the printing of monthly diocesan newspaper. She also prints brochures for ordination and the annual diocesan directory and diary. She does the typesetting and design of her newspaper before she goes to press. We experience delay in doing this because the public power supply is epileptic. As a result, we need an alternative power supply. We need solar panels, batteries and inverter.

DAR-ES-SALAAM, A.D.

SIGNIS Reverend Father PAUL HAULE: Radio & TV Tumaini Administration. Tumaini Television is the only Catholic TV station for the Catholic Church of Tanzania. It was established by the Archdiocese of Dar es Salaam on behalf of the Episcopal Conference of Tanzania (TEC). In January 2020, the station received a licence to broadcast its signal throughout Tanzania via Multiplexer. To make the TV station have the national look, that it belongs to all Catholics of Tanzania, it is important to have TV production studios in the other dioceses in Tanzania. We would like to start with the Archdiocese of Dodoma. hence, the need of the production equipment.

The workshop for key pastoral agency of evangelization on new communication technology aims at empowering the priest, nuns and catechists on the use of modern means of communication technology in religious instruction for primary and secondary school students. The diocese wants to build the capacity of its pastoral agents on new communications technology so that they also become knowing in the digital knowledge. SIGNIS Reverend Father RICHARD KIMBWI: RADIO HURUMA FM Communication. We have to replace on air mixer with the new one, because it doesn't work well and has to be repaired often. That is: 1) Axel Oxygen 3000D Digital Broadcast Mixer This new Mixer will replace Oxygen 4 which is more than 13 year old, some of the main functions do not work any more, volume meter does not work which is very important for controlling output audio. 2) Quantum Lite Handheld audio IP codec with 3G/4G. This is for outside broadcasting, especially when we broadcast a live Sunday mass from a parish.

SIGNIS Reverend Father Charles Idraku: Radio Pacis Administration. Madi Sub-region (Moyo and Adjumani districts) lies in the low land and has had a challenge in receiving Radio Pacis signal, therefore missing much of the diocesan broadcast on Radio Pacis. For several years, the region has been requesting for a full frequency so as to benefit from the diocesan and other educational programs of the diocese. The above plea has been strengthened by the refugee presence hosted by the region and other surrounding districts who very much appreciate the programs of Radio Pacis and have been requesting to have some programs in their language, particularly Arabic.

Lugazi Diocese elected new leaders last year following the expiry of the five years term of office since the 2013 Diocesan Synod. The Diocese is now in the process of inducting them in the various pastoral issues so that they carry out their roles effectively. Majority come from a rural setting and do not know much about the use of modern media for evangelisation yet the opportunities are available. With the COVID-19 Pandemic, the pastoral methodologies are changing. The use of Information Technology is becoming more and more urgent for the success of the pastoral Ministry in the Diocese

VARIE AFRICA

SIGNIS Rév. Père Fernand COULIBALY: All Continents Project. Commission Nationale des Moyens de Communication Sociale. Medias comme une chance et un pouvoir de proclamer son évangile, vu son vaste champs d'évangélisation et le nombre insuffisant d'agents pastoraux, l'église a vite emprunté la voix médiatique pour annoncer l'Évangile où les chrétiens représentent moins de 3% de la population. Les agents qui travaillent dans ces medias n'ont pas souvent la qualification professionnelle requise d'où la nécessité d'une formation dont la maîtrise de l'outil médiatique, le savoir et le savoir faire sont de mise.	\$	3.750

SIGNIS Reverend Father Reki Mashayamombe: All Continent Project. Signis Africa Digital Media. The Catholic Church is rich in cultural and religious heritages. Her churches' architectural designs and artistic works within and devotional sites attract pilgrims and cultural visitors. The preservation of religious heritages is an important communication exercise because these sites tell stories of and help people to grow in their faith as well and preserve the religious history of the people. As Africa continues to grow in faith, there is need to identify, develop and promote our religious heritages. This pastoral work can be enhanced through the use of ICTs with Catholic communicators as the catalysts for this important work.

SIGNIS Reverend Father Alberto Buque: All Continent Project. SIGNIS-AFRICA. This workshop is to train young Catholics in Lusophone African countries to become Citizen Journalists of Hope (CJH). The one-week Workshop will provide participants with the knowledge of video journalism, including the techniques for capturing, editing and uploading audio-visual products to digital platforms.

Christian Communications Centre (CCC) has been organizing media related activities for promoting Christian and moral values as well as to disseminate Church teachings. Christian people of Bangladesh is getting involved gradually in media activities. However, maximum people are ignorant and indifferent of modern media and media policy. SIGNIS Mister Seungwal Kim: Arch. Corea. SIGNIS Korea. In the course of establishing Catholicism in Korea, many missionary priests and thousands of believers were martyred. 103 of them were canonized by Pope John Paul II in 1984, and 124 of them were beatified by Pope Francis in 2014. Thanks to the sacred history, Korea now has many holy shrines. 'Seoul's Catholic Pilgrimage Route' was proclaimed as Asia's first official international pilgrimage site by the Vatican. Through the video contents highlighting these Holy sites in Korea, we will spread out the Catholic Spirit all over the World. Two pieces of Video Program will be produced.	\$	3.900

SIGNIS Mister Bernardo Canaberal: All Diocese. Signis Philippines. "The Internet is the ""battleground"" of our young people. They ear they breath, they live in this NewWorld, their New Normal. While gaming, Fb and pornography top their list, anything on faith and spirituality is at the margin. Attempts were made by the Church , but dismal. But when Covid 19 came, it brought everybody down on their knees, young people included. Suddenly, posts about God and all His Mercy, prayers and faith stories burst the Net, hungry and thirsty and this is the best time we teach, guide these young people and talk among themselves faith on the Internet."

SIGNIS Reverend Father Arul Anandam: Dioc. Madurai. Sathangai Archdiocesan Centre for arts and Communication Society. Children are future of the faith-living communities. But the modern media keeps them in a confused state to imbibe proper moral values. They also have fewer opportunities for religious instructions as they study in noncatholic matriculation schools. The empowerment of the Sunday Catechism Coordinators and Animators through media training will help them to prepare their classes in a desirous way and to keep the classes more interesting & interactive. It will create more opportunities by drawing many students. The 25 Bible Quizzes used in catechism classes will keep students interactive and will be telecasted in the regional ChannelMadhaTV.	\$	2.950

Thus, to have sufficient tools of our own will be very effective in our mission.
