Dear Benefactors and Benefactresses,

VOTE OF THANKS

On behalf of my fellow seminarians, I would like to say a word of gratitude for the assistance for the gone year.

Chikwawa Diocese is usually hit by hunger and drought. A majority of us students come from such families; Consequently struggling to pay our fees timely. The generous support you make to us helps in creating a happy environment for everybody. The seminary is able to give fair and quality education to everybody irrespective of the background. We thank you!

On our part as students we promise to work hard in our Spiritual and Academic formation in order to become good priests in future.

We look forward to more collaboration with you as we continue to answer God's Call.

Pray for us as we do for you always.

Yours in the Lord,

F. Kunkweyani
